About the Stevie Awards

The Stevie Awards recognize worldwide organizations and the individuals behind them for their exceptional performance in the workplace. This year, over 3,600 nominations from organizations of all sizes and across virtually every industry were submitted for consideration in a variety of categories.

The American Business Awards are the U.S.A.'s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small. More than 250 professionals worldwide participated in the judging process to select this year's Stevie Award winners.

Nicknamed the Stevie for the Greek word meaning "crowned," the awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 10.

"Organizations across the United States continue to demonstrate resilience and innovation," said Stevie Awards president Maggie Miller. "The 2025 Stevie winners have helped drive that success through their innovation, persistence, and hard work. We congratulate all of the winners in the 2025 ABAs and look forward to celebrating their achievements during our June 10 gala event in New York."
