Corporation, and; (d) the fixing of the minimum basic salary during such period of employment to the current year's salary plus any additional raises authorized by the Board of Directors within two fiscal years following October 31, 1995.

Mr. William B. Sparks, Jr., President and Chief Operating Officer, on November 1, 1995, entered into an employment agreement with Greif Bros. Corporation principally providing for (a) the employment of Mr. Sparks as President and Chief Operating Officer for a term of 11 years; (b) the agreement of Mr. Sparks to devote all of his time, attention, skill and effort to the performance of his duties as an officer and employee of Greif Bros. Corporation, and; (c) the fixing of the minimum basic salary during such period of employment to the current year's salary plus any additional raises authorized by the Board of Directors within two fiscal years following October 31, 1995.

Mr. Charles R. Chandler, Vice Chairman, on August 1, 1986,

and amended in 1988, 1992 and 1996, entered into an employment agreement, principally providing for (a) the employment of Mr. Chandler as Vice Chairman until 2001, (b) the agreement of Mr. Chandler to devote all of his time, attention, skill and effort to the performance of his duties as an officer and employee of Greif Bros. Mr. Robert C. Macauley, Chief Executive Officer of Virginia Fibre Corporation, on August 1, 1986 and amended in 1992, entered into an employment agreement with Virginia Fibre Corporation, principally providing for (a) the employment of Mr. Macauley as Chief Executive Officer for a term of 18 years, (b) the agreement of Mr. Macauley to devote his time, attention, skill and effort to the performance of his duties as an officer and employee of Virginia Fibre Corporation, and (c) the fixing of minimum basic salary during such period of employment at \$275,000 per year.

No Directors' fees are paid to Directors who are full-time employees of the Company or its subsidiary companies. Directors who are not employees of the Company receive \$20,000 per year plus \$1,000 for each Board, audit, compensation and stock option meeting that they attend.

During 1996, a Directors' Stock Option Plan was adopted which provides for the granting of stock options to directors who are not employees of the Company. The aggregate number of shares of the Company's Class A Common Stock which options may be granted shall not exceed 100,000 shares. Beginning in 1997, each outside director will be granted an annual option to purchase 2,000

shares immediately following each annual meeting of stockholders. Each eligible director also received a one-time grant in 1996 to purchase 2,000 shares. Under the terms of the Plan, options are granted at exercise prices equal to the market value on the date the options are granted and become exercisable immediately. In 1996, 12,000 options were granted to outside directors with option prices of \$30.00 per share. As of January 15, 1997, no options have been exercised. Options expire ten years after date of grant.

For 1996, the Compensation Committee of the Board of Directors voted bonuses to employees, based upon the progress of the Company, and upon the contributions of the particular employees to that progress, and upon individual merit, which determines, in the action of the Committee, the bonus a specific employee may receive, if any. Prior to 1996, the Board of Directors of the Company, or the appropriate subsidiary company, voted the bonuses for their employees.

Supplementing the pension benefits, Virginia Fibre Corporation has deferred compensation contracts with Robert C. Macauley and Charles R. Chandler. These contracts are designed to supplement the Company's defined benefit pension plan only if the executive retires under such pension plan at or after age 65, or if the executive becomes permanently disabled before attaining age 65. No benefit is paid to the executive under this contract if death precedes retirement. The deferred compensation is payable to the executive or his spouse for a total period of 15 years.

Under the above Deferred Compensation Contracts, the annual amounts payable to the executive or his surviving spouse are diminished by the amounts receivable under Virginia Fibre Corporation's defined benefit pension plan. Mr. Macauley's estimated accrued benefit from the Deferred Compensation Contract is \$92,641 per year for 10 years and \$61,761 per year for an additional 5 years. Mr. Chandler's estimated accrued benefit from the Deferred Compensation Contract is \$216,481 per year for 10 years and \$144,321 per year for an additional 5 years.

With respect to Mr. Gasser, the dollar amount in the all other category relates to the Company match for the 401(k) plan and premiums paid for life insurance.

With respect to Messrs. Chandler and Macauley, the dollar amount in the all other category is the compensation attributable to the 1991 Virginia Fibre Corporation stock option plan to certain key Virginia Fibre Corporation employees. This amount is the difference between the option price and the value attributable to the stock based upon the performance of Virginia Fibre Corporation for years prior to 1996. All outstanding options were redeemed by Virginia Fibre Corporation during 1996 and the current year amount represents the difference between the redemption price and the cumulative compensation accrued as of October 31, 1995.

With respect to Mr. Sparks, the dollar amount in the all other category relates to the Company match for the 401(k) plan and premiums paid for life insurance. In addition, there are contributions made by Down River International, Inc. to a Profit Sharing Trust.

With respect to Mr. Stoner, the dollar amount in the all other category relates to premiums paid for life insurance.

During 1995, the Company adopted an Incentive Stock Option Plan which provides the granting of incentive stock options to key employees and non-statutory options for non-employees. The aggregate number of shares of the Company's Class A Common Stock which options may be granted shall not exceed 1,000,000 shares. Under the terms of the Plan, options are granted at exercise prices equal to the market value on the date the options are granted and become exercisable after two years from the date of grant.

The following table sets forth certain information with respect to options to purchase Class A Common Stock granted during the year ended October 31, 1996 to each of the named

executive officers.

The annual retirement benefits under the defined benefit pension plan of the Company's subsidiary, Virginia Fibre Corporation, are calculated at 1% per year based upon the average of the five highest out of the last ten years of salary compensation.

None of the pension benefits described in this item are subject to offset because of the receipt of Social Security benefits or otherwise.

#### Section 16 (a) Beneficial Ownership Reporting Compliance

Section 16 (a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons owning more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% stockholders are required by the Securities and Exchange Commission's regulations to furnish the Company with copies of all Section 16 (a) forms they file. Based solely on a review of the copies of such forms furnished to the Company, the Company believes that during 1996 all Section 16 (a) filing requirements applicable to its officers, directors and greater than 10% stockholders were complied with by such persons, except that Daniel J. Gunsett, who became a director of the Company in 1996, did not file a Form 3. Mr. Gunsett, however, did file a Form 5 for the 1996 fiscal year indicating his ownership of the Company's equity securities.

In 1996, each of the following persons reported on a Form 5 for that fiscal year one transaction in which the named person was granted stock options in 1995 under the Company's Incentive Stock Option Plan, which grants should have been reported by such person on a Form 5 for the 1995 fiscal year: Michael J. Gasser (an officer and director of the Company); William B. Sparks, Jr. (an officer and director of the Company); Charles R. Chandler (an officer and director of the Company); Allan Hull (an officer and director of the Company); John P. Berg (an officer of the Company); John P. Conroy (an officer of the Company); Michael M. Bixby (an officer of the Company); C.J. Guilbeau (an officer of the Company); Jerome B. Nolder, Jr. (an officer of the Company); Philip R. Metzger (an officer of the Company); and John K. Dieker (an officer of the Company).

#### Compensation Committee Interlocks and Insider Participation
